Our Vision:

Beyond mastering skills and achieving physical fitness, our athletes will be inspired and enabled to achieve excellence in the sport of swimming and in life through: confidence, high self esteem, sportsmanship, discipline, respect, commitment and an understanding that success results from hard work and goal setting. They will learn the value of being part of a team. Our aim is to make swimming an important and enjoyable part of our members' and their families lives with parents actively involved in many aspects of the team.
